

**STEEL STUD MANUFACTURERS ASSOCIATION
CODE COMPLIANCE CERTIFICATION PROGRAM**

NOTICE OF CERTIFICATION AUTHORIZATION

ISSUED To: United Metal Products, Inc.
MANUFACTURING LOCATION: 234 North Sherman Avenue
Corona, California 92882

This facility is hereby authorized to certify structural cold-formed steel framing produced at the above listed location in accordance with the SSMA Code Compliance Certification Program. Application of certification labels shall be permitted beginning July 1, 2009. Application of labels shall be permitted as long as the manufacturing location listed above satisfies the certification program requirements and retains its authorization.

DATE OF AUTHORIZATION: June 30, 2009
