

Pricing and Quoting Policy

Effective September 5, 2014

- The current price list is in effect until further notice. Revised pricing will be distributed as changes in the market place occur.
- Projects less than 40,000 pounds will be priced according to current published price sheet.
- Specific Identifiable Projects - 40,000 to 100,000 pounds UMP will require:
 - Job name, contractor, location and complete material list
 - Confirmed in writing (email or signed quote) within 30 days of original quote date.
 - Maximum pricing protection is 90 days
 - Day 91 – minimum 5% escalator
 - 6 month maximum protection
- Specific Identifiable Projects - greater than 100,000 pounds UMP will require:
 - Job name, contractor, location and complete material list
 - Confirmed in writing (email or signed quote) within 30 days of original quote date.
 - Maximum pricing protection is 180days.
 - Day 181 – minimum 10% escalator
 - Minimum 5% escalator every 90 days thereafter
 - 24 month maximum protection []
- UMP job quotes are committed with a specific distributor and a specific contractor. Job quotes are non-transferable.
- Substituting another manufacture's goods for the quoted material, inflating volumes, or ordering off a quote for a different project may result in cancellation of the quote.

- Jobs that require “Certified Test Reports” will have a surcharge added as a line item to each invoice.
- Cutting Charge –
 - 3 feet to 6 feet (**UNPUNCHED**) - \$.50 per piece
 - Less than 3 feet (**UNPUNCHED**) - \$1.00 per piece
- Set up Charges – \$75 set up charge may apply to each non-standard item of less than 1,000 lineal feet.
